PRE-CONFERENCE WORKSHOP

Increasing IUD Insertion in Rural Wyoming: Hands-on Training

Esther Gilman-Kehrer, DNP, MS, FNP-C, CNM

In this hands-on workshop, participants will demonstrate a systematic approach to pre-IUD insertion assessment, counseling, use of checklists and consent forms. Attendees will physically demonstrate the acquisition of hands-on skills in IUD insertion utilizing simulation models. The discussion portion of this workshop will have participants conveying the pharmacokinetics and clinical application of the levonogesterol containing IUD in preventing pregnancy and basic management strategies for common IUD related complications and side effects.

***Separate registration with additional cost of \$50 for the pre-conference workshop. Additional 1.25 contact hours will be issued for this pre-conference workshop.*

POST-CONFERENCE WORKSHOP

Increase Your Confidence on 12 Lead EKGs

Maria Kidner, DNP, FNP-BC, FAANP

This post-conference workshop is designed to increase attendee's confidence and improve knowledge on the electrical changes occurring in the 12 lead EKG. Participants can expect to improve the knowledge of the pathology that occurs when electricity changes in the 12 lead EKG and enhance diagnostic skills.

***Separate registration with additional cost of \$50 for the post-conference workshop. Additional 1.25 contact hours will be issued for this post-conference workshop.*
